

## The University of Georgia Positions of Trust (Classification Level)

The omission of any title on this list does not preclude it from becoming a Position of Trust in the future. This list will be revised as appropriate in the best interest of the university. In addition, there may be specific positions, in titles not on this list, that based upon specific duties and responsibilities, will be designated as a Position of Trust.

Regardless of classification or title, any position with a role concerning credit card sales or management of credit card processing is designated as a Position of Trust

Regardless of classification or title, any position that is also a P-Card (purchasing card) holder is designated as a Position of Trust.
